

**Eurocentres**  
**French Certificate**

Upon completing a 1-week intensive practical course from 2 January 1993 to 3 April 1993, comprising 30 lessons a week at the

## La Rochelle Eurocentre

where he overall reached level 7 on the Eurocentre scale of skill

## Frank SCHMIDT

*can now express his ideas and opinions on a large number of topics; one can be sure of his understanding and the information that he transmits. He has mastered the principle elements of the language system. He can independently and competently communicate in many contexts, both professional and personal.*

*The practical course comprised:*

- a general language programme of 20 lessons a week
- a specialised programme of 5 lessons a week
- an assisted individual project in the media library of as many as 10 hours a week

*According to the Eurocentres scale, his overall skill corresponds to the following profile:*

*He can understand normal spoken French live, recorded or broadcast by the media; in addition to the information transmitted, he can discern the viewpoint of the speaker and the position that he/she adopts. (Level 8)*

*He can understand information and arguments presented in usual French on various topics that interest him personally or professionally; he can discern the elements highlighted, or those of particular interest. (Level 7)*

*He can successfully participate in discussions and speak with confidence and competence on a very large range of topics, in clear and well-organised French. (Level 8)*

*He can express opinions and clearly report on factual information with clarity on a very wide variety of topics; the reader can easily follow, even if the formulations are not always suitable. (Level 7)*
