Mr. Frank **SCHMIDT**

AU, 10 September 1993

REFERENCE

We are pleased to confirm that Mr. Frank Schmidt, born on 18 December 1967, citizen of Obersiggenthal, did from

24 May 1993 to 31 August 1993

work at the Landgasthof Halbinsel AU as

"CHEF DE GRILL"

This is the second season that Mr. Schmidt has spent with us. As last Summer, he was responsible for our extensive grill catering to the discriminating diner and for its complete installation. He again easily coped with the entire grill section this year despite the hectic tempo. We were in every respect very pleased with his performance and conduct. We can only confirm the previous recommendation.

Mr. Schmidt is leaving us because his fixed-term contract is ending in order to seek further experience abroad. We thank him for his great efforts and wish him all the very best for the future.
