worked as Apprentice cook

in our employ

Area of activity

Performance

Frank had the opportunity to learn about all aspects of hot and cold cooking with me. He did this with great success and passed his final examination with a good mark. During his apprenticeship, he performed the work entrusted to him to my full satisfaction and I can thoroughly recommend him to my colleagues as a reliable, punctual and enthusiastic member of our occupation. He is leaving us on completion of his apprenticeship in order to seek further training and I wish him all the very best.
